

SNOW REMOVAL

Please remember to have sidewalks cleared of snow and ice to make it safe for pedestrian use. According to City Ordinance it is the duty of the owner or occupant to remove any ice or snow that accumulates or obstructs the sidewalk within 24 hours after snowfall. If the sidewalk is not cleared in a timely manner, the City will clean and the property owner will be billed. To make snow removal faster, all vehicles must be removed from the streets and alleys after an accumulation of one inch or more of snowfall. Those vehicles not moved are subject to citation.

SUMMER PROPERTY CARE & MAINTENANCE

It is the responsibility of the owner or occupant to maintain and care for the property. This maintenance includes removing junk and debris, lawn care, and removal of dead or diseased trees. Property must be maintained to prevent further action and fees from the City.

Please do not rake leaves and other yard waste into the gutters! This material blocks the gutters making water drainage impossible and eventually causes flooding.

•
In order to allow regular service, vehicles and equipment must not be parked in front mailboxes or trash containers.

•
Pet owners are responsible for the care and actions of their pets. Written complaints regarding animal nuisances will be submitted to the States Attorney office for further action.
