

CLEAN-UP WEEK

Week runs Monday to Saturday. Place items to be picked up on boulevard by 7:00am Monday morning of Clean -Up Week. If your street is currently under construction you may place your items in the alley. City will go through town only once to pick up items and will only pick up items placed outside; employees will not remove items from inside buildings. Residential only, businesses are not included in the pick up but is included for the free landfill.

The following items will not be picked up by the City:

- Shingles (allowed at the Landfill)
- Hazardous Materials (*not allowed at the Landfill*)
 - Batteries, Pesticides, etc.
- Household Garbage
- Yard Wastes including Tree Branches (*allowed at Compost Site at Landfill*)
- Tires (*not allowed at the Landfill*)
- Animal Droppings & Medical Wastes (*not allowed at the Landfill*)
- Any loaded items (*if placed on trailer, resident can haul to Landfill self*)

The Landfill will be open all day, all week for residents to dispose of items that were not picked up and allowed free of charge. Televisions and computers will be picked up but are also allowed in the regular garbage. Paint will only be picked up if completely dried. Appliances will be picked up but those with Freon must have Freon removed and tagged stating that. Construction material will also be picked up and is allowed at the Landfill.
