

City of Oakes – Garbage Information

Oakes uses the curbside garbage pickup method. Every resident is provided with a blue 'City of Oakes' tote. If the property you have moved into does not have one already, you may request one by calling City Hall or Pat Nelson. There are three different sizes: 35 gallon, 65 gallon and 95 gallon. Residents living on the south side of Main Avenue will have their garbage picked up on Monday. Residents living on the north side of Main Avenue will have their garbage picked up on Wednesday. Your blue tote must be located on the street next to the curb by 7:00 a.m. the day of your garbage pickup. Please make sure it is 10 ft away from any fixed object or 3 ft from any other totes. If the tote is not accessible for the side-load garbage truck, your garbage will not be picked up. Also, only garbage that is in the container will be collected. Please do not place garbage next to or on top of the tote.
