

# Oakes Friends of Fine Arts and Academics

Friends of Fine Arts & Academics believe in a balance between academics, arts and athletics. We strive to bring recognition and encouragement to the fine arts and the strong academic programs at Oakes Public Schools.

Money from memberships, donations, and fundraisers help to support:

- Recognition of the academic award students at an all-school assembly
- Pep band player of the game
- Snack break for students taking the ACT test at Oakes High School
- Snacks and water for students during state testing
- Serving treats for students the day after Elementary music concerts
- Decorations for the Elementary and High School music concerts
- Summer Accelerated Reader and Math Program (AR/AM)
- Assisting Oakes' participants in State Music, State Speech, State Spelling Bee and State Geography Bee
- Refreshments for Elementary social studies/science fair/language arts
- Assisting with music contests and events if they are held at Oakes High
- Assisting the Art and Drama Department
- Honoring students at year-end event
- We are always looking for new ideas & ways to support our students.

We are helping to enhance the programs offered at the Oakes Public Schools. However, we need the continued support of the parents, teachers and the community.
