 - Kelly Cooper, manager of the Oakes irrigation site has a vendor that wants to donate some product or equipment to the site. The value is approx. \$17,000. The problem, due to the affiliation to NDSU, any amount over \$5,000, they must follow a bid process. The vendor needs to have the irrigation site write a check for \$17k and then they will write a check back. I am guessing it is a tax-deductible item or exchange for the vendor.
 - Kelly is asking if OEI would be able to write the check for \$17k to the vendor and vendor write the check back.
 - I did reach out to Toni at PFS to see if we had any tax consequences to be concerned about for OEI.
- Hollingsworth

 - Paradis Law has been asked to draw up a form to release both entities from the Trust CD account.
