

COVID-19 MITIGATION PLAN  
**#MASKUPND**

Face coverings  
required to  
protect those  
around you  
and yourself.

**Face masks required in indoor business and public settings and outdoor settings when distancing is not possible, effective Nov. 14.**

*Exemptions to this State Health Officer order include:*

- Children who are 4 years old and younger
- Individuals with a medical or mental health condition or disability that prevents mask wearing
- While actively eating or drinking
- While obtaining or providing a service that requires temporary removal, such as dental or speech therapy services
- Religious services; participants are encouraged to follow guidelines
